Dear sporting friends,

We are pleased to invite you to the 10th IARU Region 1 Youth ARDF Championship. Nine years ago, the Czech Republic started the tradition of the international Championships for the youngest competitors. We are proud to organize this jubilee event and hope that you will enjoy your participation in the Championship.

We will do our best to make your stay here in the Czech Republic a pleasant one, full of nice memories.

Other activities

Just following the Championship there will be a 4-day international ARDF competition held in the same place (participants of EYAC need not even to move). We would like to invite lots of competitors in order to encourage young runners.

Time schedule for the 4DAYS ARDF

July 3 (FRI)	arrival, registration International Czech ARDF sprint Championship in the afternoon
July 4 (SAT)	3,5 MHz competition
July 5 (SUN)	International Czech ARDF foxoring Championship International Czech ARDF relay Championship
July 6 (MON)	144 MHz competition awarding ceremony, departure

Further information

at event website: 4days.eyac09.com.

In addition, the event site provides a good starting point for outdoor activities.

The beautiful natural scenery is embellished by the numerous lakes which are perfect for swimming in the summer. In the very neighbourhood there is the most sought-after lake of the Vysočina region – Velký Pačezský, which gave a name also to the EYAC centre. Thanks to its location in the middle of the woods, the water quality remains good throughout the season. The surrounding woodland is mainly composed of conifers, occasionally mixed with groves of birches.

Tips for trips

Michova skála (Micha's rock), Lord's well, ruin Štamberk, Janštýn, hunting-castle Roštejn – with its period guided tours in the night and a 53m high heptagonal tower ... and the biggest attraction Telč – a small historical town, UNESCO-registered since 1992.

The organizing team (ARDF club SK RADIOSPORT Bílovice nad Svitavou) is looking forward to your participation.
