

Bulgarian Federation of Radio Amateurs

is very pleased to announce a new international competition

FOUR DAYS ARDF-ING IN PRIMORSKO, BULGARIA

10 – 13 JUNE 2010

We believe this event will become traditional one during the years ahead. It will combine the demonstration of ARDF skills with the opening of the tourist season at a perfect sea resort. Primorsko with its facilities is well known from the World ARDF Championship 2006.

It will be *'Individual classification only'* event with unlimited number of participants.
