

VENUE:

Kłodzko Valley

The Kłodzko Valley (Kotlina Kłodzka) is the largest mountain valley in the Sudety (about 500 km²). The climate of the valley is quite mild with frequent thaws, in contrast to the severe climate of the mountains surrounding it.

A gently folded surface is covered with a thick layer sediment, from which single hardened hillocks protrude. The Kłodzka Lands, whose capital is Kłodzko, are widely regarded as one of the most attractive tourist regions in Poland. We can find here:

- wonderful mountains, fabulous landscapes, a huge abundance of rock formations, crevices, labyrinths,
- mountain rock formations such as the Errant Rocks (Bledne Skaly) natural attractions, caves, picturesque waterfalls, the Batorowskie Peat Bog (Torfowisko Batorowskie) and long snow cover in Zieleniec;
- health resorts with mineral water springs;
- places of worship, holy sites, an oasis of silence and prayer, the well-known sanctuaries of Our Lady of Wambierzyce, and Our Lady of the Snows in Bardo;
- rich history, castles, fortifications, architectural landmarks, museums with abundant collections and living history museums.

TRANSPORTATION TO THE VENUE:

Some of the teams travel, as tradition, by their own bus/cars. The rest may select their final destination amongst Wrocław or Prague (Czech Republic). Wrocław and Prague International Airports are located relatively away from the venue (130 km and 155 km) but the organizers will provide transfers to the venue and back upon request.

The fees depend on the number of people to transfer. We will provide 8-person buses and prices will be around:

- 25€ per person from Prague
- 20€ per person from Wrocław

ACCOMODATION:

The accommodation will be organized in Verde Montana Hotel****

Verde Montana is the biggest and the most modern hotel in Kłodzko Valley. It is the second hotel of the family company Capitol and it combines tradition and moder design. The hotel, set in Sudety Mountains in the heart od Kłodzko Valley, was built in line with the architectural principles of the Kudowa SPA Town. Verde Montana Hotel was expanded with a new aqua park centre called “Zielona Wyspa” (the Green Island).
