2nd IARU World Youth ARDF Championships

Dear sportsmen,
the 2nd IARU World Youth ARDF Championships is over now. Here are the official results of the championships. We hope you all enjoyed the event and experienced success and possibly found new friends.

In 2000, the tradition of international youth ARDF championships began in Kroměříž. We are proud that the Czech Republic had the opportunity to host this event again. We believe this event grew up in the course of years and fully fits among international events nowadays.

We wish you a safe trip home

Decisions & approvals of the 1st Jury meeting, June 30, 16.00, in the event center

Just the last part of the finish corridor will be marked on both sides with uninterrupted tape. The rule 29.3 applies to this part only.

Substitution in Czech W14 team for the 144 MHz competition. Laura Gillarová will start instead of Věra Staňková.

Competitors will wear only one starting number, on the front.

Decisions & approvals of the 2nd Jury meeting, June 30, 14.30, in the finish area

Jury discussed a case of cooperation between two competitors — one competitor shouted at a second one. There is no proof that the second competitor responded.

Jury voted on disqualification of the shouting competitor. Jury unanimously voted for the disqualification, no one voted against the disqualification.

=> The vote resulted in disqualification of the competitor nr. 111, Dryzhova Anna, UKR.

Jury unanimously approved the results of 3.5 MHz classic competition without any objections.

There were no technical problems, no protests, two competitors wrenched their ankles — basic medical care was provided. No other remarks to the competition.

Decisions & approvals of the 3rd Jury meeting, July 2, 11.50, in the finish area

Two complaints were placed in the finish area:

(1) the competitor No 90, Grigorič Nik (SVN), SI # 2056383 declared that he visited and registered the control 4 but there was no record in his SI card.

(2) the competitor No 51, Stankiewicz Weronika (POL), SI # 2048182 declared that she visited and registered the control 3F but there was no record in her SI card.

=> In both cases, the SI units of controls in question were delivered and data downloaded. However, in both cases there were no records of mentioned SI cards and according to the Rules, both complaints were therefore rejected.

Apart from this, there were no protests, no injuries, no technical problems, and no other remarks to the competition.

Jury unanimously approved the results of the sprint competition without any objections.

Decisions & approvals of the 4th Jury meeting, July 3, 14.30, in the finish area

Jury unanimously approved the results of 144 MHz classic competition without any objections.

There were no technical problems, no protests, no injuries, and no other remarks to the competition.

Chairman of the International Jury thanked members of the International Jury for a great and fruitful cooperation.
