Assistant of the Chairman of Jury: Igor Lazarev, US0VA, UARL

Secretary of the Jury: Serghii Sukharev, UARL

Siting referee: Sergii Shtanko, UT4UXB, UARL

Representative of each participating society:

Ala Hrakholskaya, BFRR, Belarus

Yu Yongle, BG4TQC, CRSA, China

Jelena Tuksar, HRS, Croatia

Miroslav Vlach, OK1UMY, CRC, Czech

Kathrin Berse, DARC, Germany

Mindaugas Nakvosas, LRMD, Lithuania

Władysław Pietrzykowski, SP9GNM, PZK, Poland

Adrian Marcu, YO7LOI, FRR, Romania

Jozef Simecek, OM3WSJ, SARA, Slovak Republic

Andrej Trojer, S50TA, ZRS, Slovenija

Maksym Redka, UT7AZA, UARL, Ukraine

For better communication, the organizers appointed Assistant to Chairman of Jury Igor Lazarev, US0VA, UARL, who had a deliberative voice.

The organizers have been in contact with the Chairman of the Jury for a long time before the championship and have worked each other on ongoing tasks.

During the championship, all worked in sync, and the necessary information came in time. The start lists were ready in time for every competitions. The starting intervals for each age group were according to the rules: 2 minutes for SPRINT and 5 minutes for classic 3.5 and 144 MHz.

Bulletin 4 provided all the necessary information for each start.

At the training, the competitors and trainers listened to the transmitters, which would be used during the race. Additionally, for the teams that arrived after the mentioned time for the training, the organizers provided additional time for training. It is an excellent example for the future hosts of such championships.

Regarding the length of the routes - all were in according to the rules, with the exception of the classic 144 MHz , where the length of the routes was 500 - 800 meters more. It was due to the safety measures for competitors. Near the start there were two lakes and the participants had to get out of him. This forced the place for start to be changed about a kilometer. All team leaders and competitors were warned in advance of the water obstacle and there were absolutely no problems during the race. Despite the extended lengths, the times of competitors on the classic 144 MHz were in the acceptable norms.

All Jury members fulfilled their duties and attended all Jury meetings. It was a pleasure to work with all Jury members. The following is a brief summary of actions taken by the Jury for each competition:

- CLASSIC 3.5 MHz. A complaint came from Slovakia that immediately after starts of Mihal Nosal, transmitter N3 stopped working for one cycle, which affected the competitor. The race monitoring actually found that between 12:30 and 12:37 the N3 transmitter did not work due to the accidentally disconnecting the antenna by an earlier competitor. The on-site operator did not notice this, but after a call from the siting referee, the problem was removed. After reviewing all the facts, the jury found that the not-working for one cycle transmitter had harm to competitor from Slovakia, who was looking for it right now. The fact was confirmed by the splits times provided by the race secretary. After reviewing all the facts, and in order to maximally respect the Fair Play, the international jury decided to award two bronze medals in the individual ranking of the M16 and two silver medals in the same category.

- SPRINT: No complaints or no comments have been submitted for competition.

- CLASSIC 144 MHz: No complaints or no comments have been submitted for competition.

In conclusion, I would like to thank everyone for the wonderful organization by hosting society and the work of the international jury during the championship. It was a pleasure to work with all.

Respectfully submitted
Viktor Tsenkov, LZ3NN
